## The Guarantee of the Right Choice.

High in the sky  
as their way to  
the town of Soria, the  
storks gaze at the  
vines and they  
suddenly feel more  
peaceful.

The familiar vista  
tells them they  
are almost home.

At the break  
of dawn,  
the roselushes  
around the vines  
glisten.

The fresh, soft dew  
crowns their petals  
foretelling the wine  
that is to come.

There is nothing  
more peaceful than  
seeing the melted  
water run down from  
the snowy summits  
caressed by the sun.

There is no richer  
earth than that  
underneath these  
sacred waters where  
growing conditions  
are optimal.
